Portrait Hunt

Directions

Use the classroom reference books to find 2 different portraits by 2 different artists.

-One has to be male and the other female.

-In addition, one has to be from a culture or race that is different from your own.

You must include the title of the portrait, the artist's name, the year it was made, the book and page number that you found it in and write a small paragraph describing the portrait. For example, what does the person look like, what's going on in the portrait, what are the colors like...etc.
